To All AD's and Baseball Coordinators,

The 2019 CSAA Baseball season is being organized now and registration is under way. Fill out the registration form available on the web site under the baseball page no later than April 15th.

Practice or try-outs may begin April 22nd. League play will begin (field availability pending) after Memorial Day. The tournament will begin at the end of the regular season and conclude as soon as field availability and weather permit. League play will be followed by a single elimination tournament. The season will conclude at the end of June weather permitting.

Fields are needed for games and host sites must be organized ASAP. If your school has a softball field that can accommodate play for 4th, 6th or 8th grade league and tournament games please fill out the attached field registration form. Host sites keep all admission revenue for the regular season and all revenue except umpire fees for all post season games.

A meeting for all coordinators and coaches will be held in the CSAA Office at 1949 Goldsmith Lane Unit #101 if necessary.

Franchise fees for 4th, 6th and 8th grade divisions are \$375.00 per team.
