

The Archdiocese of Louisville changed the mandate on masks today (August 6, 2021). Due to this change, masks will now be required during indoor CSAA activity for all vaccinated, and unvaccinated student-athletes, coaches, and anyone else attending a practice, game, or organized team activity. Masks may be removed during physical activity/competition by athletes.

More updates will be sent out as they are updated by the Archdiocese of Louisville.

Thank you,

Rick Arnold
