AD's and Soccer Coordinators,

4th / 6th - ball size 48th - ball size 6

CSAA Soccer try outs/practice begins **Monday, Feb. 28th**. No parish sponsored clinics, practices, tryouts, or workouts are allowed before this date.

Field Info: Please provide field availability in GameDay by **Monday, Feb. 28th**.

Team registrations must be entered in gameday by **Wednesday, March 2nd** so scheduling may begin. Remember, rosters are not due at this point, only team registrations are mandatory by the deadline. We must have the total number of teams in each division to begin scheduling.

Any necessary merged teams should be done according to the "partner school" agreement. All mergers must be coordinated by the parish soccer coordinators and approved by the parish AD's and final approval will come from the CSAA office.

6th and 8th grade girls who do not want to play co-ed soccer may merge with a "partner school" to play on a girl's only team. Everyone from a school must merge with the same school. No "one off" mergers are allowed. Girls merging and playing with another school are not allowed to play on their "home school" co-ed team.

A/AA #1 and #2 leagues will be determined based on the number of teams that register to play. In general, the minimum number of teams it takes to form a separate league is 8. Info will be sent out to all parish coordinators after registrations are received with info on exactly what divisions and leagues will be available. You will then have 24-48 hours to adjust your teams as necessary before the scheduling process begins. Any team dropped after the listed registration due date will result in the parish being charged the full franchise fee.

4th grade soccer will be co-ed unless enough girls' teams for a league are submitted, and mergers will only be permitted with a partner school to form a team.

4th Grade divisions play 8 versus 8. Determine your number of teams accordingly. All 4th grade and under divisions are instructional in nature and there will be no post season tournament.

Meeting: TBD - Communication may be handled electronically if practical.

League hosts must provide scorebooks and game balls. Regulation size (24' x 8') goals are recommend.

FRANCHISE FEE:

The fee for 8th and 6th grade divisions will be \$475.00 per team. The 4th grade division fee will be \$400.00 per team.

Please contact the CSAA office at 456-2722 with any questions.
