March 10, 2022

To all AD's and Field Hockey Coordinators,

- 2022 CSAA Field Hockey will continue with the 7 v 7 format and games will be played at Assumption and SHA as frequently as possible. In a meeting with representatives from both high schools after last season they committed to hosting as many games as practical and we are greatly appreciative of their continued support. Last year at a field hockey coordinator meeting the decision to move to the 7 v 7 format including a goalie for each team was adopted and approved by the schools in attendance. This will continue in 2022 and be evaluated again after the season.
- The regular season will start the week of May 16.
- The tournament Week of June 6.
- Practice may begin March 21st.
- Team registrations are due in Gameday no later than March 28th.
- Franchise fees for 8th and 6th grade divisions are \$475.00 per Team and 4th grade division is \$400.00 per Team.
- We encourage any schools ordering uniforms to choose a reversible (2 color) jersey or penny type top. Players are allowed to wear shorts or skirt/kilt (every player on the same team must the same color shorts or shirt/kilt)
- More information on a coordinator meeting or electronic information sharing will be sent out as date is finalized.

Sincerely,

Rick Arnold
CSAA Executive Director
