

AD's and Golf Coordinators,

The 2022 CSAA Golf Tournament for girls and boys will take place on Monday, June 6th at Seneca Golf Course.

Mandatory on-line Registration: Each Parish Golf Coordinator or AD must fill out the official CSAA Golf Registration information on the CSAA web site (loucsaa.org) by May 27th. The registration template is located sports section under the Golf tab.

Tee times start at 8:00 AM

The first tee time will be 8:00 am on #1, #10, and the Par 3.

Everyone must arrive and register 30 minutes prior to the individual tee time. Late registration may mean disqualification.

Cost:

The CSAA golf fee is \$25.00 per participant. This covers greens fees and a CSAA fee. Each parish will be invoiced by the CSAA office for the total number of registered players.

Teams:

The top three individual scores will determine the winning team. If you do not have three golfers for a team, they may compete as individuals only.

- Parishes **may not merge** to form a team. They can practice together but must play for their own parish.
- *The CSAA does not allow consolidation of parishes for individual sports team scores or totals.

Eligible Players:

3rd graders through 8th graders only. (No K, 1st or 2nd graders are eligible to participate).

Pace of play:

This CSAA Golf Tournament is not a clinic for beginners. Each player must keep pace with the other players in their group. Prior experience playing golf on a regulation golf course is necessary.

Awards:

1st, 2nd, and 3rd place individual awards will be given out in the 3rd, 4th, 5th, 6th, 7th, and 8th grade level.

Tie Breaker:

Score cards will be used to break ties for teams and individuals. The tie breaker will be determined from the score card using a hole from the front side and/or the back side. This hole will be selected by the course professional or his designee prior to the tournament.

- Each foursome that goes on the course will be responsible for another person's score in the group.
- No parental involvement is allowed on the course at any time to maintain the integrity of the tournament format.
- Range finders and GPS yardage/distance/slope measuring devices are allowed.

The Head Professional or his/her designee will be the rules judge in this tournament and his/her decisions are final. Please be respectful of all course rules and regulations. Improper behavior or unethical conduct will not be tolerated.
