CSAA Soccer Director - **John Lyons** is the official Soccer Director for the CSAA, 609-6021.

OFFICIALS: All CSAA officials, 6th thru 8th, will be assigned by Jeremy Bland through our Arbiter system. Jeremy's phone number is – **303-4292**. Two officials (if numbers allow) will work each 8th & 6th grade game. 4th grade officials will be provided by INDIVIDUAL HOST FIELDS. Field Managers will be responsible for supplying one referee for any 3/4th grade games that field hosts. Field Managers will pay these referees whether through gate or check, but all fees will be reimbursed by the CSAA.

RULES SHEETS: Enclosed are copies of our special rules. A copy of the CSAA special rules sheet and the NFHS official rule book must be with the official scorer at all times There is a ten (10) minute forfeit time allowed on each game from the scheduled starting time.

4TH GRADE DIVISION: (8 vs 8). The dimensions of the field for the 4th grade division is as follows: 55 maximum to 45 minimum yards wide. 80 maximum to 70 minimum yards long. There is a diagram enclosed in the packet for your use. **Also, note the 4th grade matches will be two 20-minute halves.**

SCOREKEEPERS & SCOREBOOKS: You must have scorekeepers who are at least **juniors in high school or older**, are not allowed to use any type of tobacco, use or hold cell phones or any other portable electronic devices while the game is in progress. Fields hosting leagues must provide the scorebooks for the leagues. (Scorekeepers are not paid by the CSAA) **The scorebooks must be filled out properly each week** and the *rosters kept up-to-date to prevent illegal players from being entered into games.

The scorekeeper **MUST** be positioned on the sideline at mid-field if the teams are both on the same side of the field. We strongly suggest that you have both teams on the same side of the field. If not, position the scorekeeper in a spot that will be convenient for both teams to report to.

A ROSTER must be provided to the league/field manager by each team for every match played at your field. Please check with coaches to make sure they comply with this. Rosters will have jersey numbers listed for easier scorekeeping. **ALL TEAMS MUST HAVE NUMBERED JERSEYS.**

UNIFORMS: Numbers must be on all uniforms. We will follow the uniform jersey rule in the National Federation rulebook.

DISQUALIFICATIONS: If a player or a coach receives a red-card, you must report the name(s) to the CSAA office or the CSAA soccer director (John Lyons, 609-6021). A minimum one-game suspension is enforced and the disqualified coach or player must be re-instated by the CSAA before they may play or coach the next game. Please remind the coach to call the CSAA or John Lyons to request re-instatement.

Heat Index Rules & Heat Illness Guidelines: For all league games, please use the heat index monitor and record the information on the heat index sheet (can be obtained from CSAA website: loucsaa.org). If the heat index goes to 103 degrees, any and all games will be cancelled. Please have the handbook regarding heat illnesses available at your field at all times.

SUSPENDED GAME: See CSAA Special Rules sheet for details.

POST-PONEMENTS OR CANCELLATIONS:
