New Field Manager Duties in 2025

- 1) Meet with all KFOA officials at your field once they arrive as a group, so they know who is in charge so any potential issues can be addressed.***
- 2) A shirt will be provided for Field Mgr.'s must wear each week so they can be easily identified by referees.***
- 3) Provide water for officials during/after games.***
- 4) Field Mgr.'s must be prepared to remove a fan or coach that is ejected from a game. Additionally, they must be ready to address an unruly spectator in a proactive manner to prevent or diminish the likelihood of an ejection or removal of a fan.***
- 5) Field Mgr.'s must be willing to issue warnings upon direction from an official. From that point forward a "zero-tolerance" policy must be enforced with spectators.***
- 6) Announcements may be necessary during a game at the direction of the Field Mgr that warns fans of removal for poor behavior or a forfeit of their team if poor behavior continues.***
- 7) The CSAA Sportsmanship message and "An Athletes Prayer" must be read before each game at your field over the PA system.***

8) The Field Mgr. must appoint an assistant to escort officials to their cars as necessary at the conclusion of the day.
